

# WOKINGHAM - WE NEED YOU EVENMORE!

## NEW PROJECTS UNDERWAY TO MAKE A DIFFERENCE

One of WOKINGHAM'S newest registered charities WOKINGHAM IN NEED was launched in September 2015 with the grand opening of new kitchen facilities (following the successful wet room installation), at the Salvation Army Church and Community Centre, Sturges Road Wokingham

### WE WERE PLEASED TO ANNOUNCE THE OPENING OF THE WOKINGHAM DROP IN CENTRE

This opened on the 27th February 2017 to be used by the Homeless and Vulnerable in Wokingham. The Drop in Centre, created by WOKINGHAM IN NEED (WIN), is on the site of the premises of the Salvation Army Citadel, Sturges Road, in Wokingham. The Salvation Army and a team of volunteers will develop their existing resources and provide individual support to help the homeless and vulnerable in our society. WIN will work with the Salvation Army in relation to assisting with requirements for the Drop In Centre. WIN has also donated a large storage unit, located next to the Drop in Centre, which will provide supplies to those in need.

A Podiatry service is also being funded by WIN for the Homeless and this is an ongoing commitment.

“This is a great step forward but we want to do more and we are currently launching a project of workshops bringing the community together. With this and our ongoing commitment to support the Homeless and Vulnerable we want to make a difference” said Sue Jackson, “

The new project is a wonderful opportunity to get involved in helping people in your Community and will assist us in our ultimate goal of preventing people having to sleep on the streets and by working with local groups we aim to make this a reality.
